Dear Friends,

Your favorable response to our annual letter soliciting donations to the June C. Baker Foundation for the past seven years has allowed us to provide financial aid to every family of "Kids with Cancer" referred to us by the Pediatric Oncology Support Team. Members of the Board have considered suggestions for various fund-raising activities and in each case have found the probability of success to be quite low. Until improvement in the economy we will continue to rely on your generosity and that of the Board members to provide funding to continue the work of the Foundation.

We appreciate your thoughtful contributions and, on behalf of the children and families who rely on us, thank you for your continuing support. Together we keep June's memory alive in a very meaningful way.

Sincerely,

Allyson Samiljan
Secretary/Treasurer
